Please visit (this link is on our webpage as well): <https://www.gomotionapp.com/team/camp/page/class-registration> This is the SAME page you can use if your child wants to audition for The Lion King Jr. The process to register for an audition is the same as registering for a class: select the class(es) you want to enroll in and then check out.

You will be prompted to create an account OR log in to your account if you already have one. Descriptions about each class and The Lion King Jr. You can find LOTS of info on our Kids' Musical Page about the show.

There is a Parent page on the website where we have posted our calendar with times for concerts, etc AND an overview of the info sent home in emails. Find it here: <https://www.mecca-productions.com/parent-page>

Thank you for making our programs part of your year. We appreciate your support of our small, family business
