

The end of our year for our PT students is just around the corner! Thank you ALL for an amazing year!

This email contains LOTS of info, most of which will apply to your PT performer. I've also added the times, and a PDF of this document, and info to the Mecca Calendar which you can find on the Parent Page.

We will need 2 parent supervisors for Girls Aloud, 1 for Boys Only and 1 for Sound Dynamix for both events. If you are interested, please email us at meccabdn@gmail.com

Saturday, March 9th: On the Stage Festival - FREE Admission; rush seating

On the Stage is the 'festival' for our Performance Troupe (PT) students. Each group will perform their number for our adjudicator, Joseph Sevilla.

We are SO EXCITED to bring Joseph to Brandon to work with our PT students! He's a familiar face to Rainbow Stage patrons. His NEW MUSICAL will debut there this summer!

Joseph is offering 2 Musical Theatre workshops - an incredible opportunity for our students! Cam Tataryn from the Crocus Plains Drama Department (and Mecca staff member) will offer Improv workshops to create a full afternoon of learning for our students. The workshops are OPTIONAL for PT members but highly encouraged! (Online registration is open NOW). We are opening the workshops up to other students so register early.
