Term End Concert Info

One of the great things about being a Mecca kid is the chance to perform on the big stage. Each season we host term-end concerts to celebrate the amazing kiddos in our programs. Each week kids work toward this final concert performance. We also work on a mass number featuring all the voices in our community. Our concerts are a highight for our families and for us.

Generally: we rehearse in the morning the day of the concert, go home for lunch and come back for the show! The concerts usually run 90-120 minutes.

Additionally, choral programs have their own concert the last week of March at Knox United Church.

The details:
