(Read and check to indicate your agreement)

- commit to practising at home using the materials and instruction provided so we can ‘move ahead’ at each rehearsal
- will not miss more than two rehearsals during the rehearsal period (please check with Lisa should you need to be away)
- understand that if I miss an initial or major choreo rehearsal, I may not be able to be part of that song in the show
- will access the rehearsal google calendar
- will meet with the costumer as requested, including returning loaned items on time
- will make an AWESOME dish for the cast potluck ;p
- will be fully present during show week at the WMCA as I will reschedule other commitments that week AND helping with tear down
- will be an ambassador of our show: share posts on social media and/or email friends encouraging them to attend the show!
- will be positive and encouraging to myself and others
- HAVE FUN!
